3) After prolonged correspondence the Govt passed an order on 10th Feb 1922 that the hon'l Council should elect their own vice-President.

The Swami has been urging that in view of his waiving his right to nominate in favour of hon'l Council, he requests the Govt to accept his nomination as vice-President. The DC has recommended Swamis request.

Having regard to the interest of the trust in the locality & to the services made by the Swami the request may be favourably considered & G O of 10th Feb 1922 may suitably be modified as recommended by DC. The proposal will enable the Govt to vest the nomination in case of an undesirable person being named by the Swami. As the trustees will be the President time will not be much lapse before the vice-President be the nominee of the Swami.

The proposal will retard the progress of the L S G Scheme.

(6) The proposal will indirectly invest the Swami with territorial jurisdiction over the town 2 Secretary. The Swami enjoys considerable influence and he was deprived 2 the services of Dewan Bahadur Aiyangar in the time 2 Diwan Purnaiya. Whether it is advisable now to restore him that power and create a position to operate in his favour is a point for consideration. Excellency the points for consideration are, first, whether a new or [illegible] Act to abolish Mokhasa, there is any real advantage in Government introducing the right to collect Mokhasa in consideration of his acting the privilege of nominating Vice-President; secondly whether the right can be considered inconsistent with the declared policy of Govt as expressed in G O of 27th April 1925 (Civil Dept)

On the first point it is clear that an enactment will not take away existing rights unless the Legislature expressly intends to do so.

On the principle it is difficult to see how the right to collect Mokhasa granted under a Sanad to the Jemadar can be taken away by the passing of the Village Panchayat Bill unless Govt expressly make a provision to that effect in the Act

Mr A.V. Ramaniathan has given the opinion (Flagg) that Govt may adopt the formula that the nomination made by the Swami will ordinarily receive favourable consideration. There is no harm in Govt will ordinarily be accepted. But may perhaps be made clear that if the first choice of the Swami is not accepted he may make a second choice, & so on till one is acceptable that Govt will nominate

The municipal Council was reconstituted from 1st Dec 1924. The old Council met on 30 11 '24 & recommended to Govt that the Govt be given power to nominate a Vice-President. This question is pending before the Govt now

The point for consideration is whether a Vice President be temporarily be nominated pending the election of Govt

Rule 11 of the Rules for the election of Presidents & Vice Presidents requires the Council to elect a Vice President at the first meeting of the newly Constituted Council, after (within 20 days) notice

Under r 12 the Govt is empowered to nominate Vice-President only in the event of the Council not electing a Vice-President within the period mentioned under rule 2, or pronounced under rule 2, In the case it cannot be said under the circumstances of the case that the Council failed to elect a Vice-President within the meaning of rule 2, Hence the Govt will not be acting properly in nominating a Vice-President even though empowered

Sir,

Adverting to Government Order No L 4544/ 1 70-21-130 dated 10th February 1922, sanctioning the election by the Sravanbelagola Minor Municipal Council of their Vice President, I have the honor to submit herewith two Dharma Patrikas received from the Swami of Sravanbelagola Mutt and report No 43 dated 4th September 1924 from the Amildar President The Swami has repeated in his first Dharmapatrika dated 3rd September 192 the request made by him in October 1922 that the local Vice President should be the nominee of the Mutt, on the ground alike of the fact that Sravanbelagola is a great seat of -- Jainism, and the recognition of the sacrifice made by the Mutt to place the Municipality in funds by foregoing two thirds of the Mohatarfa due to the Mutt from the Municipal limits which are parts of the Mutt Inam villages

The Amildar President has recommended sanction to this request

The Swami has, in his Dharmapatrika dated the 22nd October requested that the Mutt may kindly be permitted to nominate both the President and the Vice President, and that he is

willagg to hand over the remaining one-third (amounting to Rs) of the Mohatarfa also to the Municipality if his request is graciously sanctioned by the Government.

4- I have been giving careful consideration to the first request and sounding public opinion in regard to it I had deferred final opinion and recommendation until the new election had taken place I am to-day submitting separately the results of the new Election The new Council will come into life from the next month and the present is an opportune moment to consider the Swami's request afresh on its merits

5- I may say at once that I do not consider the request of the Swami for the nomination of both the President and Vice Presidentxx as feasible The importance of Sravanbelagola as a religious centre, the divergent elements to be reconciled thex and the need for careful handling of the local problems, demands the presence of a responsible Officer of Government on the Council as its President for some years to come, and the Amildar may therefore continue as Ex-officio President until further orders

6 Messrs M L Vardhamanaiya, G P Dharanaiya and G K Padmarajaiya who handed to me the Dharmapatrika of 22nd October 1934 informed me that they were authorised by the Swami to urge for the grant of his request in respect of the Vice President at least, and that he would willingly hand over the entire Mohatarfa to the Municipality even if this request is alone granted

7 On the result of careful local enquiries, ascertainment of the views of the leaders of all shades of public opinion on the spot, and study of local conditions, I have come to the conclusion that the request of the Swami as last modified, coupled

coupled as it is with a further token of his real and live interest in the improvement of the town deserves favourable consideration and sanction at the hands of the Government I recommend accordingly that, in modification of the Gogernment Order dated 10th February 1922, Government may direct that the place of Vice President of the Sravanbelagola Minor Municipal Council be filled up by nomination by the Government and that the Swami may be informed by letter that, in consideration of his having waived his claim to Mohatarfa in toto in favour of the Municipal Council, the recommendations made by him in this behalf will ordinarily i e , as a general rule, receive favourable consideration This would appear to be the only safe formula to adopt if Government are pleased to graciously accept the above recommendation, as it will retain for the Government the freedom to reject the recommendation by the Swami of any person as undesirable for any reason

22

8 I am aware that the above recommendation to substitute nomination for election runs, in a sense counter to the current of increasing democratic control in matters of local Self Government, and that it may be criticised as such by persons aggrieved by such an arrangement I have carefully considered this aspect of the case and that is the very reason for the delay in my submitting the first request of the Swami made on the 3rd September 1924 Public opinion at Sravanbelagola is preponderantly in favour of the Swami's request, and the local events which have transpired since October 1922 has confirmed most people in this view There is a small section which will object, but I learn that it is uninfluential and comparatively less respectable

9 A more serious position would have had to be anticipated if the politically trained and conscious sections of the District were against such a measure as the one proposed

I have consulted practically every shade of opinion amongst them and I find that public opinion will, in the main, be on the side of the Government in this matter in view of the special conditions of the town and the important bearing which the prestige of the Mutt, the Institutions and of Jainism has on the development of the town I find also that the present situation is so keenly felt by the Mutt and by the Public that they do not want to venture on the organization of such an important celebration of all India fame, namely, the Mahamastakabhisheka of Gomateswara, until the Mutt is assured of a Vice President in whose willingness and desire for Co-operation it can place implicit confidence

/o Lastly, judged on the principle of the proportion of influence exercised to sacrifice made or revenue paid, the Mutt seems legitimately entitled to the concession now prayed for and recommended.

I have the honor to be,

Letter NO 485-24/O.C. dated 23rd October 1924 from the Deput Commissioner, Hassan District, to the Secretary to the Government , Local and Legislative Departments, Bangalore.

As the result of careful local enquiries, ascertainments of the views of leaders of all gradesof public opinion at Hassan, and study of the local conditions, I have come to the conclusion that the request of the Swami as last modified, coupled as it is with a further token of his real and live interest in the improvement of the town deserves favourable consideration and sanction at the hands of the Government I recommend accordingly that in modification of the Government Order dated the 10th February 1922, Government may direct that the place of Vice-President of the Sravanabelogola Minor Municipal Council be filled up by nomination by the Govt and that the Swami may be informed by letter t at, in consideration of his having waived his claim to Monatarfa in toto in favour of the Municipal Council, the recommendation made by him in this behalf will ordinarily, ie as a general rule, receive favourable consideration This would appear to be the only safe formula to adopt if Govt are pleased to graciously accept the above recommendation, as it will retain for the Govt the freedom to reject the recommendation by the Swami, of any person considered by the Govt as undesirable for any reason

Read --

G.O. No. L. 4544/Ml. 70-21-130, dated 10th February 1922, permitting the Sravanabelagola Municipal Council to - - elect their own Vice President.

2. Correspondence ending with letter No. O C. 485-24, dated 14th April 1925, from the Deputy Commissioner, Hassan - - District, recommending ~~the examination of~~ that power be granted to the Vice President to the said Municipal Council for reasons stated.

Order No. L 8959-60 9 22 6 25

The Sravanabelagola Municipal -- Council ~~has been~~ at present enjoying the privilege of electing its own Vice President. With his letter No. 851-24/O C. dated 23rd Octr. 1924, the Deputy Commissioner, Hassan, forwarded 2 Dharmapatrikas from the Swami of the Sravanabelagola Mutt praying for the grant to the Swami of the privilege of nominating both the President and Vice President in consideration of the fact that the Swami has surrendered to the Municipality 2/3rds of the Mohatarfa revenue due to the Mutt from Municipal limits and that the place is a great seat of Jainism and stated that the representatives of the Mutt, ~~however~~, informed him also that the Swami would willingly hand over the entire Mohatarfa to the - -

Municipality in the view of his request as regards the Vice President was granted. The -- Deputy Commissioner was of opinion that the importance of Sravanabelogala as a religious centre, the divergent elements to be -- reconciled at the place and the need for the careful handling of the local problems, demanded the presence of a responsible officer of Government, and that the Amildar should -- therefore continue to be President. He recommended that in modification of the order of 10th February 1922, Government may direct that the place of the Vice President of the Sravanabelogala Minor Municipal -- Council be filled up by nomination by the Government and that the Swami may be informed by letter that in consideration of his having waived his claims to Mohatarfa in toto in -- favour of the Municipal Council, the requests made by him in this behalf will ordinarily i.e., as a general rule receive favourable consideration.

In his letter No. O C. 485-24, dated the 13th/14th April 1925, the Deputy Commissioner states that the Municipal Council which was consulted in the matter as required by Govt., are divided in their opinion, 4 out of the 8 non-official members present having voted for the proposal & the remaining 4 against the proposal and the ex-officio members took no part in the proceedings.

After careful consideration of the matter, Government are pleased to direct that the privilege of electing the Vice President conferred on

Swami

the Sravanabelagola Municipal Council in the G.O. of the 10th February 1922 read above be withdrawn. The Government will nominate the Vice President in consultation with the Swami. The Deputy Commissioner is requested to inform the Swamiji accordingly.
